API Experts Share Insights on Proficiency Testing!

In this episode of COLA's Talk Lab to Me podcast, Sue Styles, API's Director of Quality & Regulatory Affairs, and Leigh Akerley, API's Technical Director, dive into the latest updates in proficiency testing.

From preparing for 2025 regulatory changes to offering guidance on optimizing lab operations, Sue and Leigh provide actionable insights to help labs stay compliant and enhance patient care.

Tune in for this behind-the-scenes look at proficiency testing: https://hubs.ly/Q031M6J60
